### Descrizione

Imagine a shorter version of the AXIS 460 rear wing, with winglets.

That's exactly what the 420 carbon rear wing is.

Our fastest rear wing to date, at 420mm wingspan, 60mm chord, and 8.7 Aspect Ratio. FAST. And with the winglets it provides good turning and carving control.

If you are a performance Prone, SUP, Wing or Downwind foiler, looking for the fastest setup, then the 420 is just your wing.

When you purchase the AXIS 420mm carbon rear wing we include an AXIS padded cover with zipper, in heather gray, and AXIS branding, for safer setup, transportation and storage.
