maximum power, top speed, easy manoeuvres

ENSIS wings are known for their high performance. The SCORE Limited Edition will simply blow you off your feet with its power, speed and yet easy manoeuvrability. The pure bliss, when you fly at full speed over the water and a jump catapults you far into the sky. The X-PLY canopy material combined with the Hookipa fabric used for the leading edge allows an ultra-stiff profile resulting in instant power. The perfectly placed innovative, rigid handles add to the high responsiveness and direct steering. And yet, the SCORE Limited Edition feels light and balanced in your hand while flying. When racing with friends or competing for medals in course races, the radical upwind and downwind angles and the big wind range will thrill you. The ENSIS SCORE Limited Edition is for any ambitious rider who wants to feel pure performance and the highest quality.

The SCORE Limited Edition wing is delivered in a wing set consisting of an adjustable high quality backpack, hand wrist leash and wing.
